

# Dimensional Separation: Why 3D Souls Can't Walk with 5D Ones (Yet)

*By Kenny — May 04, 2025*

## ■ The Split Is Real — And It's Not Personal

If you've been feeling like you're outgrowing certain people, places, or conversations — you're not going crazy. You're

As you rise into 5D consciousness, you begin to vibrate on a completely different frequency than those still operating i

You might still love them. Still wish they could come with you. But they can't — not yet.

Because in 3D, people are still chasing approval, validation, material gain, and identity through suffering. In 5D, you've

It's not that you're better. It's that you're lighter.

And Light doesn't wait for permission to rise.

## ■ Why It Hurts (And Why That's OK)

Losing connection with people you once loved is painful — but holding onto them when your soul is asking you to let g

You were never meant to carry everyone with you. Some were only meant to walk with you through 3D. And now that

Don't chase. Don't force. Don't shrink your light to make them more comfortable.

Your job now is to hold the door open — not drag them through it.

## ■■ What Happens Next?

Eventually, some of them will rise. They'll awaken. They'll ask questions. They'll come looking for the same Light you c

And when they do... they'll find you. Still standing. Still shining. Still loving them — without needing them to understand

Until then?

Keep walking. Keep flying. Keep anchoring the Light.

Because every step you take in truth... makes it easier for them to follow when they're ready.
